

# LANDMARK® PRO MAX DEF RED OAK

VIBRANT, DURABLE SHINGLES  
IN A RICH AND INVITING NEW COLOR

*Landmark PRO, shown in  
Max Def Red Oak*

Homeowners who want to turn heads with a striking roof—and offer guests a warm welcome—have a charming new color option for shingles. Inspired by the fiery colors of fall, **Max Def Red Oak** features an earthy yet radiant blend of red and brown granules. Its deep, ember-like glow is perfect for a warm mountain lodge aesthetic.

Make a stunning statement with this distinctive yet timeless new shade. Experience the trusted performance and durability of Landmark PRO in a color you can cozy up with.

## The Depth and Dimension of Max Def

With our Max Def color palette, a richer mixture of surface granules adds new, eye-catching dimension to shingles. The unique gradient blend of Max Def Red Oak was developed by researching hundreds of different pigments. Carefully placed, color-coated granules bring more dramatic depth to the natural wood shake aesthetic of Landmark PRO.
